
Victor Farmington Food Cupboard
Volunteer Application

Please note: once you've decided you'd like to volunteer we will have you access our volunteer handbook and will have you read and sign several documents that include a civil rights form, a professional boundaries form and a confidentiality form. These are necessary to ensure that we can fulfill our mission of "Feeding the Hungry with Dignity and Respect". Thanks so much for your understanding!

Name _____
Address _____
Email _____
Phone Number _____
Preferred Method of Contact _____

What other volunteer or paid work experiences have you had and what did you like/dislike about those?

What days and times are you available to volunteer?

Would you be willing to share the names and contact information of two people you are not related to who could be references for you?

By signing and dating below I verify that information on this application is true and accurate.
